

Sailing rules on the water

- Safety first! Don't take any risks.
- Stay on the starboard (right) side of the canals and approach bridges and crossings with caution, watch for other vessels.
- Adjust your sailing speed to the traffic conditions. Need to stop? Put the joystick in reverse.
- The speed limit is 6 km/h.
- It is prohibited to sail the boat when under the influence of alcohol or drugs.
- It's not allowed to moor under trees, bridges or other places where there's a sign that says you're not allowed to moor.
- There are no toilets at the dock, keep this in mind.
- Respect the privacy of people alongside the canals, don't cause any disturbance.
- Give way to commercial boats (i.e. tour boats).
- Amplified music is prohibited on board.
